CAPT Gordon Loebel

Chief, Traveling Inspectors &  
Centers of Expertise (CG-54-TI)

# MARINE SAFETY PERFORMANCE PLAN

FY 2009-2014

*“This roadmap includes reinvigorating industry partnerships, improving mariner credentialing services, bolstering inspector and investigator capacity, improving technical competencies through new marine safety Centers of Excellence, and expanding rulemaking capability to ensure we meet current and future program needs.”*

— Congressional Testimony of  
ADM Allen March 6, 2008

# *National Centers of Expertise*

# ***NCOE CAPABILITIES***
