

Recommendations from WG-B

Bridging the understanding gap
between Maritime Industry &
Government

Recommendations

- 1 Training – lack of understanding private sector
 - Working Group
 - to look at environment and evaluate training/internships currently available & determine what is needed
 - Start by Dec 31
 - Conclusions/Recommendations by next GMISS
 - UNCLASS inter-agency / inter-governmental / inter-industry training program to provide baseline understanding
- 2 Policy Issues
 - Request industry participation in MDA SHB
 - Deadline – end of year (Dec 31)
 - Request industry participation in MSIPC
 - By invitation
- 3 For next GMISS Explore Intermodal Operations / Regulatory Issues
 - eg- is there a national strategy?
 - Invite MTSNAC/CMTS
 - Review of regulations to find overlap & archaic regulations
- 4 Jello Shooters at next GMISS
